ANNOUNCEMENT

In cooperation with the ADEQ Brownsfield program the City of Tombstone, Southwest Hazard Control and Terracon will be conducting mitigation, removal and testing activities of hazardous construction materials at Historic City Hall located at 315 E. Fremont Street starting the week of February 15, 2016 and ending the week of March 14, 2016.

This project is in preparation for Historic City Hall renovations and reconditioning in which the City is providing new space to the Marshals office and additional meeting space for the community.

All questions, comments and concerns related to the remediation work being performed at the above listed site shall be directed to Michael "Mac" McMillan, Project Manager, City of Tombstone, 520-457-2202, buildingofficial@cityoftombstone.com.
