**V. VICE CHAIRMAN’S REPORT:**

**The Marshal’s Report – September 13, 2016 through October 11, 2016.**

Chairman Escapule; “Marshal, the floor is yours.”

Vice Chairman Randall; “Thank you Mayor; for the last month we had seven agency assist, six alarms, we had nine animal problems, we only had one assault, we had no burglaries, three citizen assist, two criminal damages, and eight disorderly conducts. We investigated one domestic violence, six drug arrest, one DUI. We provided customer service in the form of fingerprints to seven individuals, we took three found properties cases, two fraud cases. Lots of information calls, seven medical calls, fourteen parking

problems, one shots fired, seven suspended license arrest, seven suspicious calls, one traffic accident, one hundred and sixty one traffic stops and forty one citations; which equates to about seventy five percent of the stops were warnings. Three wanted person arrests and nine welfare checks.”

Vice Chairman Randall; “Not a whole lot to report for this last month. We have pretty much gotten everything we needed. I am proud to say that the TMO; Tombstone Marshal’s Office has not received any burglary report since May of two thousand sixteen and prior to that we only had one vehicle burglary and one commercial business burglary both ending with arrest and closed case.”

Vice Chairman Randall; “The DOHS-DUI Grant has been signed and submitted for approval. The grant will provide three thousand dollars in overtime funding and Mr. Alberto has promised to supply TMO with a DUI/Aggressive Driving vehicle later this fall. So that’s still on the menu.”

Vice Chairman Randall; “Scheduled training. I just put the guys through rifle training. Most everybody qualified. I still have two that have to go back for remedial. Tomorrow morning we have legal updates for four hours which is a requirement by AZ Post.”

Vice Chairman Randall; “We are still at full strength with three active reserves and I am still doing background on a fourth reserve applicant.

Vice Chairman Randall; “Speaking of reserves for this last month. They logged one hundred and six point five hours for the month of September, which roughly equates to eighteen hundred sixty three dollars. That would have been paid to a deputy for doing the same job.

Vice Chairman Randall; “This is all I’ve got!”

Chairman Escapule; “I know there for a while we were getting calls two or three a weekend; when we had the tennis court parking lot the way it used to be. How many have we got since we stripped it?”

Vice Chairman Randall; “We don’t get any calls over in that area. Most of our parking calls come from 4<sup>th</sup> and 5<sup>th</sup> Street, North side of Allen.”

Chairman Escapule; “I guess the point I was making was the stripping did work?”

Vice Chairman Randall; “Oh absolutely!

Chairman Escapule; “Okay, so in the morning I think they are going to be stripping the center parking lot so we will have more organized parking. Over the weekend they had motor homes park in there, trucks and horse trailers. It was kind of a mess but hopefully we can get that straightened out as well.”

Chairman Escapule; “As far as the Marshal’s Office, the old City Hall is concerned it is moving forward. I think we can have a meeting scheduled for next week to kick off the bidding process for contractors to come in and work on it.
