**V. VICE CHAIRMAN'S REPORT:**

**The Marshal's Report – July 11, 2017, through August 8, 2017.**

Chairman Escapule; "Marshal the floor is yours.

Vice Chairman Randall; "Thank you sir." "We had nine agency assist this last month. Five alarm calls, fourteen animal calls that the guys responded to. Two attempt to locates, two criminal damages, two dead bodies that we investigated. There for a period of time there were several that were being reported but a couple of them actually passed

in the Sierra Vista or Benson area. We had four disorderly conduct calls, three domestic violence, two drug arrests, five DUI arrests, two fire calls, eleven found property calls, twenty six information calls, two intoxication calls, twelve medical calls that the guys went on. Two missing persons, five parking problems, reckless driving, eight snake removals; two of which were mine. Eight suspicious in nature calls, five suspended driver arrest, two theft calls, one threatening call, two TMO City Codes, four traffic accidents investigated. Seventy four traffic stops; twenty nine of which were citations, four unsecured premises and three wanted persons.”

“I attended the Governor’s Office of Highway Safety better known as (GOHS) Conference on July 26<sup>th</sup>. At the conference I met with Alberto Gutter who is the director of GOHS and he advised me that TMO would receive five thousand dollars in grant funding for DUI enforcement overtime as well as a thousand dollars for equipment; TPT purchases. I have put in for a grant earlier this year and of course you never know what the outcome is going to be until late August, September time frame so he kind of gave me an early notice.”

“The TMO has received a grant to fund the overtime for aggressive driving details on Charleston Road in the amount of twelve hundred dollars which will carry us through the end of the year. I have scheduled several details weekly in an effort to slow down the aggressive drivers especially now that school has resumed. I have also provided you with a copy of media release that I gave the papers and I also posted it on Facebook. The posting on Facebook has had a hundred plus review all thumbs up. Everybody is looking forward to us being out there slowing people down.”

“For this weekend I have scheduled the deputies to be on duty both for regular calls and on Allen Street. On Saturday the twelfth I’ll have three on regular duty and six on special assignment on Allen Street and other specific areas as needed. On Sunday the thirteenth, I will have three on regular duty and three on special assignment on Allen Street and other specific areas”

“CCSO and Highway Patrol have been advised of a possibility of a huge influx of tourist for the weekend and they will be providing extra patrol in their area as well.” I have been able to schedule all of the details on Allen Street and calls without utilizing any overtime. Using our reserves to the max they are coming in quite handy.”

“Vice Chairman Randall; “Scheduled training for the deputies include; Sergeant Mattern received his state certification card for EMT Certification and Reserve Deputy Flannigan attended four hours of training at the Buena High School in Sierra Vista covering predator awareness and mandatory reporting covering child abuse; that sort of thing.”

“We are still at full strength with four active reserves. Three deputies are in testing process with one excepted to be gone by the end of August. Our reserves have logged seventy four and three quarters hours for the month of July contributing roughly thirteen hundred and eight dollars that would normally be paid to a deputy.”

Vice Chairman Randall; “This concludes my report.”

Chairman Escapule; “Do we have any questions?”

Councilmembers did not have any questions.

Chairman Escapule; "I will say that since you streamlined the department if you will; for a better lack of term, and you have more foot patrol on Allen Street we have more neighborhood patrols, I am getting a lot more compliments; I am actually getting compliments on the Marshal's Office so job well done!"

Vice Chairman Randall; "Thank you!"
